USP Hazelton
Inmate Information Handbook
Federal Bureau of Prisons Introduction

INTRODUCTION

Welcome to Hazelton

The Attorney General of the United States has designated the United States Penitentiary - Hazelton, in Bruceton Mills, West Virginia, as the institution at which you will be confined for service of your sentence. As you are processed into this institution, you are given a copy of this booklet so you may learn about the institution, its policies, and procedures. In this booklet, you will find a statement of the rules of the institution, your right as an inmate, your responsibilities to yourself and others, acts which are prohibited by institutional policy, disciplinary actions which may be taken for violation of the rules, and other information which will help you in getting along while confined at this institution.

This booklet is not designed to answer all the questions you will have as you settle into the institution. It does give answers to many of the more common questions people have. If you need any information, which is not covered in this booklet, ask your counselor, case manager, unit manager, or unit officer. These individuals can explain the policies and procedures to you. If you need further information, copies of these policies are available in the Law Library located in the Education Department.

Confinement in any institution such as Hazelton is never a pleasant experience. Every attempt is made, however, to make this institution one in which each man has the opportunity to "make the most" of his time. It is important each inmate follow the rules of the institution in order that all may live in comparative harmony without fear, threats, or intimidation.

One of your primary rights is to conduct your own affairs in so far as they do not affect the rights of others. It is the responsibility of the administration and staff to insure each person is able to exercise this right to the fullest extent possible. Toward this end, the rules of the institution have been established, and they are for your protection, as well as, for the protection of others.

It is hoped your stay at Hazelton will be beneficial for you. The staff stands ready to assist you in any way possible to obtain your personal goals.

James N. Cross
Warden

Intake, Classification, and the Unit Team

Orientation:

After review of all available records and careful consideration, all inmates will be assigned to a housing unit. Inmates cleared for general population are immediately released to their assigned units in population based upon available bed space. Newly committed inmates will be placed on a call-out to attend A&O lectures given by institution executive staff, institution department heads and the A&O staff. Inmates will not be given job assignments or be subject to routine programming without first being afforded the opportunity to attend A&O lectures, be given a basic medical exam, undergo educational, psychological screening and testing. A&O staff will be readily available to assist newly committed inmates in adjusting to confinement.

Counselors often make cell assignments, work assignments, and sanitation inspections. Counselors play a leading role in all segments of unit program and is a voting member of the Unit Team. The Counselor will visit inmate work assignments regularly and is the individual to approach for daily problems. Your counselor is the contact for the Administrative Remedy process in your housing unit. As a senior staff member, the Counselor provides leadership and guidance to other staff in the unit. The Counselor is a frequent member of the Unit Disciplinary Committee.

Unit Secretary: The Unit Secretary performs clerical and administrative duties. In some situations, the Secretary may sit as a member of the Unit Team.

They have safety, security, and sanitation responsibilities in the unit. Unit Officers are in regular contact with inmates and are jointly supervised by the Unit Manager, Operations Lieutenant, and the Captain (the Chief of Correctional Supervisor) during their unit assignment.

Communications: There will be a unit staff member available each day of the week and most evenings until 9:00 p.m. Open house hours for unit staff will be posted on the unit bulletin boards. The unit bulletin boards contain written communication of interest to inmates. Unit Managers will utilize town hall meetings at their discretion to foster improved communications.

Program Reviews: An inmate's initial classification or program review (team) meeting will be held within 28 days. Subsequent program review meetings will be held every 90 to 180 days. These are held by the unit teams to review the inmate's pursuit of program recommendations, program involvement, work assignments, transfers, custody, institutional adjustment, etc.

Town Hall Meetings: Unit town hall meetings are held periodically to make announcements and discuss changes in policy and procedures. Inmates are encouraged to ask pertinent questions of the staff and any guest speakers who are present. These questions should pertain to the unit as a whole, rather than personal questions or problems. Individual issues will be resolved by unit staff members during the regular working hours, which are posted in each unit. Each unit will conduct "Open House" on a daily basis from 10:00 a.m. - 11:00 a.m., and from 2:30 p.m. - 3:30 p.m. on a rotational basis as posted in the unit. This is only possible for inmates whose country has a formal prisoner exchange treaty with the United States. All beds are to be made in military style by 7:30 a.m. If a cell or room is not acceptable, corrective action, including incident reports, can be expected.

Orderlies are responsible for the unit sanitation. However, everyone is responsible for cleaning up after themselves. Trash and wastebaskets are to be emptied prior to 7:30 a.m. each day. Mattress are to remain on the bunk frame and will not be removed from the bunk and placed on the floor.

Showers are available every day; however, inmates may not be in the shower during their assigned work time or during an official count. Steel-toed safety shoes must be worn to all work assignments, to include unit orderly positions. Sneakers are not to be worn by inmates to their work assignments. Boots or sneakers may be worn in the dining room area; however, no open-toe shoes are permitted.

Unit Meal Rotation: Units will be called on a rotating basis to the Dining Hall. The rotation is three units from the Red Corridor and then three units from the Blue Corridor, or vice versa. The rotation will be based upon the needs of the institution. Once your unit is called to mainline, you are reminded that you expected to follow the established rules, including: the dress code, corridors and compound. Once in the Dining Hall you will hear announcements informing you of: 10 minutes

remaining, 5 minutes remaining and 2 minutes remaining until the Dining Hall closes. After the “Dining Hall is Closed” announcement is made, you are expected to exit the Dining Hall. Any inmate found lingering in the Dining Hall will be subject to disciplinary action.

Smoking Policy: USP/SCP Hazelton is a smoke free /tobacco free facility.

Clothing Exchange & Laundry: All issued clothing, linen, towels, etc., are exchanged on a one-for-one basis at the Laundry Room. The schedules for exchange are posted on unit bulletin boards. Washers and dryers are provided at no cost for inmates to do their own laundry in the housing unit. The unit laundry room will open daily from 6:00 a.m. until unit lockdown. Damage to these machines will lead to removal of the machine and/or disciplinary action.

Money Matters: The Federal Bureau of Prisons is centralizing the processing of all incoming inmate funds. This requires the establishment of a National Lock Box location. All funds being sent to inmates at USP/SCP Hazelton must be sent to the National Lock Box location at the following address:

Federal Bureau of Prisons
Inmate Name
Inmate Register Number
Post Office Box 474701
Des Moines, Iowa 50947-0001

The institution mail room will not accept funds received from outside the institution. Any funds received will be returned to the sender with specific directions on how to send the funds to the National Lock Box location.

In order to ensure that funds are processed without delay to the inmate’s Trust Fund account, the following directions must be adhered to:

Deposits to Accounts: Deposits to Commissary accounts from outside sources will be processed through the mail (check or money order must include the inmate’s name and register number), or cash (not recommended), of which there is not waiting period for postal money orders to be posted on the inmate’s account. All other types of domestic checks and Western Union money grams will be held for at least fifteen (15) days before being posted to the inmate’s account. All non domestic or foreign checks will be held for (60) days before being posted.

The inmate name and register number must be printed on all money orders; U.S. Treasury, state and local government checks; and any foreign negotiable instruments payable in U.S. Currency. Instruct your friends and families sending money not to enclose cash, personal checks, letters, pictures or any other items in the envelope. Their name and address must appear on the upper left hand corner of the envelope to ensure that the funds can be returned to the sender in the event that they cannot be posted to the inmate’s account.

Commissary: Inmate funds are retained by the institution in a trust fund account. Inmates may initiate or complete a BP-199 to withdraw money for family support, to purchase publications or for other approved purposes. Accumulated institutional earnings and monies sent from outside sources are given to the inmate upon release or may be mailed to the inmate's home. Borrowing Commissary items from other inmates is not allowed. Special purchase items such as tennis shoes, gym clothes, sweat suits, and radios require a form completed by the inmate and routed to Commissary.

Spending Limitations: Inmates are permitted to spend up to \$290.00 each month, which does not include stamps or funds transferred from commissary to the inmate telephone account. Inmates will be advised of the current spending limit during A&O. Once a month, each inmate's account is "validated" that is, the spending period begins with validation.

Commissary Fund Withdrawals: If you desire to send money home, to your bank, to a local bank, or to purchase a United States Savings Bond, your Unit Manager has the appropriate forms for you to utilize for these purposes. Any funds you authorize to be withdrawn from your account will be sent out in the form of a United States Treasury Check from the United States Treasury Disbursing Office in Austin, Texas.

Financial Responsibility Program: Bureau of Prisons Policy requires all inmates with lawful financial obligations to make payments toward satisfaction of these obligations. Financial obligations may include restitution, fines, education loans, child support, alimony, etc. At initial classification, your unit team will discuss your particular obligations, if any, and establish a payment contract. Your refusal to participate in this important program may impact you negatively during confinement.

Security Procedures

Counts: It is necessary for staff to count inmates on a regular basis, the inmates must be seen even if the inmate must be awakened. While count procedures and unit design may vary from one institution to another, generally the way count procedures are conducted is the same. When a count is announced, inmates will return to their assigned cell/cubicle where they are to remain quietly until the count is cleared. No talking, use of radios, or movement will be tolerated during the taking of count. Official counts will ordinarily be conducted at 12:00 a.m. (midnight), 3:00 a.m., 5:00 a.m., 10:00 a.m. (on weekends and holidays), 4:00 p.m. and 10:00 p.m. The 10:00 a.m. and 4:00 p.m. counts are **mandatory stand-up counts** and all inmates are required to be standing at their bedside during those counts. Other counts can occur during the day and evening. Staff will take disciplinary action if an inmate is not in his assigned area during a count. Disciplinary action will also be taken against an inmate for leaving an assigned area before the count has cleared or for interfering with the count process.

Lock-Down Census Counts: At any time a Lock-Down Census may occur and will be announced by staff on the institution P.A. system. In such instances, inmates will cease all movement and report to the nearest staff member. There will be no movement and all scheduled call-outs will be rescheduled. When the Lock-Down Census is cleared, normal operations will resume.

Bed Book Counts: In the event a bed book count is announced, inmates will be required to state their name, give their register number and show their inmate identification card to the counting staff member.

AM/PM Census: During the AM/PM census you are required to report to the nearest staff member for accountability purposes. If you are in the housing unit, you are expected to return to your cell so the AM/PM Census can be completed.

Controlled Movements: Movement throughout the institution will be regulated by a procedure called controlled movement. The purpose of controlled movement is to ensure the movement of inmates is orderly. Controlled movements at this institution will be in effect during working and non working hours. Each movement is conducted in two separate segments, the Blue Corridor movement and the Red Corridor movement. The beginning and end of each movement will be announced over the institution public address system. When the move has closed you are expected to have cleared the corridors and not to linger. Throughout the institution there are yellow lines on the floor. Inmates are expected to walk to the right of the yellow lines at all times. The middle section or yellow box on the floor is for staff movement only. If you are found walking in this middle section, you may be subject to disciplinary action. All movement to Call-outs will be on the controlled movement period.

Compound Information: USP Hazelton has signs posted outside of the corridor exit for each unit. The sign clearly states what is expected of inmates as they move through the corridors. If you choose not to follow the rules, you will be subject to disciplinary action.

Posted Signs: List the following rules:

Inmates will have their ID card in their possession

During work hours, inmates will be in duty uniform

No soft shoes, without a current and original permit

All shirts will be tucked in

Trousers must be pulled up over the hips

No hats on heads. This includes all head gear, unless approved by Religious Services

No sunglasses, on any part of the head

No food items will be removed from the Dining Hall

No sitting on the corridor floors

Contraband: Contraband is defined as ANY item not authorized or issued by the institution, received through unapproved channels, or not purchased through Commissary. All staff are alert to the subject of contraband and make efforts to locate, confiscate, and report contraband in the institution. Each inmate is responsible for all items found in their assigned living area and should immediately report any unauthorized item to the Unit Officer. Any item in an inmate's personal possession must be authorized and a record of the receipt of the item should be kept in the inmate's possession. Inmates may not purchase radios or other items from other inmates. Items purchased in this manner are considered contraband and will be confiscated. Approved or issued items which have been altered are considered contraband. Altering or damaging government property is a violation of institution rules and the cost of the damage will be levied against the violator.

Shakedown: Any staff member may search an inmate's room to retrieve contraband or stolen property. Inmates **WILL NOT** be present when their rooms are inspected. The property and living area will be left in the same general conditions as found. These inspections will be random and unannounced. Inmates are responsible for all contraband found inside their cell.

Drug Surveillance: The Bureau operates a drug surveillance program that includes mandatory random testing, as well as testing of certain categories of inmates. If a staff member orders an inmate to provide a urine sample for this program, and the inmate does not do so, that inmate will be subject to an incident report.

Alcohol Detection: A program for alcohol surveillance is in effect at all institutions. Random samples of the inmate population are tested on a routine basis, as well as those suspected alcohol use. A positive will result in an incident report. Refusal to submit to the test will result in an incident report.

Weapons: Each inmate is responsible for all items found in their assigned living area and should immediately report any unauthorized item to the Unit Officer. Inmates found in possession of a weapon or weapons material will be subject to disciplinary action, to include prosecution.

Fire Prevention and Control: Fire prevention and safety are everyone's responsibility. Piles of trash or rags in closed areas, combustible materials, items hanging from fixtures or electrical receptacles, or other hazards cannot and will not be tolerated. Fire drills will be conducted on a regular basis.

Inmate Emergency Procedures: During an emergency response by staff, all inmate traffic is to cease at all locations. If indoors, inmates will brace themselves against the nearest wall and remain silent. Should inmates find themselves on the recreation yard during an emergency, they will immediately lie face down on the ground and remain silent. The orders may be given by staff or by the automated warning system. The system begins with a loud siren and orders inmates to lay down in both English and Spanish. The announcement is repeated three times. Inmates who fail to do as instructed may be deemed as having either involvement or attempting to hinder staff in their response. Failure to follow the direction can result in immediate placement in the administration detention pending disciplinary action.

Programs and Services

Job Assignments: All inmates are expected to maintain a regular job assignment. Many job assignments are controlled through the Inmate Performance Pay System, which provides monetary payment for work. These might include work in the areas of Food Service, Landscape, or Facilities Department in the maintenance shops. Inmates may at anytime be instructed to provide general unit housekeeping duties, regardless of work assignment.

Food Service: Inmates are provided nutritious, appealing meals in all Bureau institutions. Self-service meal operations for general population inmates may include features such as salad bars, special diet options, and pork-free meal programs. Specific approval procedures for special diets

vary from institution to institution, and unit staff can explain them. No meat alternative meal's are also available. Food Service provides the Religious Diets Program. Placement in this program is by the Chaplain only. Inmates in the Special Housing Unit also receive a balanced, nutritious diet. Except for any approved special diets, inmates in SHU will receive the same diet as inmates in the general population. Removal of food from the dining room is not permitted, there will be no exceptions.

Education Programs: The educational curricula at USP Hazelton are designed to provide flexible education programs upon the philosophy that personal responsibility on the part of each student is essential for "real learning" to occur. Individualized competency-based instruction is available to each student. Students progress at their own pace, while completing behavioral objectives as prescribed by the teachers. The Education Department promotes a learning experience supported by academic, comprehensive occupational, and vocational program offerings. It is with this learning experience in mind that staff are committed to assist each inmate in attaining their own personal educational and occupational goals.

In fulfilling its function as a center of learning, the USP Hazelton Education Department offers programs and services in the following areas: Literacy (GED), English as a Second Language (ESL), Post Secondary Education (College Correspondence), Vocational Education Programs, Parenting, Adult Continuing Education (ACE) and Career Counseling/Pre-Release (RPP).

UNICOR: It is the mission of the Federal Prison Industries UNICOR to provide meaningful employment opportunities to inmates. The UNICOR factory at USP Hazelton has two product lines. Army Combat Uniforms (ACU) Trousers and Diplomatic Bags. UNICOR is a voluntary work assignment. Inmates must submit a cop-out to UNICOR to request placement on the UNICOR waiting list.

Law Library: The law library offers a wide variety of legal materials. Forms are available for legal documents such as: Power of Attorney, Informal Affidavit, Habeas Corpus Petitions, and Freedom of Information Act applications. Also located in the law library are typewriters and clerical supplies for use in preparing legal work. Typewriters will be available for typing legal materials ONLY. Typing Ribbon, Correction Tape, and Print Wheels may be purchased in the commissary for the typewriters use. An inmate copier is also available in the library. Debitex copy cards may be purchased in the commissary for personal copies at a rate of \$0.13 per copy. Office staff will NOT provide legal copies to inmates; indigent or other inmates unable to pay for legal copies are to make requests to their Unit Manager or Unit Team for assistance.

Access to the computer or electronic law library will be granted after the following conditions: submitting a request (Cop-out) to education staff, and completing an initial ACE class on system operation.

Please see rules and regulations section of the Education Department Handbook, or the library bulletin board, for additional rules, as well as hours of operation.

Leisure Library: The Education Department maintains a Leisure Library in the Education Department which is available to the general population. Contained within this inventory are:

reference books (i.e., encyclopedias, dictionaries, medical encyclopedias, college listings and synopsis, recent volumes of "Books in Print" etc.). These reference books are available for use within the Resource Library. Magazines and newspapers are available and must be checked out with an inmate I.D. At NO time will magazines and/or newspapers be allowed out of the Library.

Leisure reading books are available to the population to check out for a two (2) week period. Due to the limited space and to maintain control of these materials, listings of these books are posted throughout the library. The Leisure Library contains excellent choices for the inmates' reading enjoyment. Included in the library are best sellers, westerns, classics, mysteries, self-help books, paperbacks, and a Spanish section. Both Spanish and English periodicals can be checked out from the library clerk to be reviewed in the designated reading. An inter-library loan program is made available through a local library.

The Leisure Library is available to the general population seven days a week with the daily hours posted on the bulletin board near the Library entrance. It should be noted, for those inmates housed in the Special Housing Unit, the Education Department has a leisure library book cart available to them. This book cart is changed out monthly to ensure availability of diverse materials.

Recreation Program: The purpose of the Recreation Department is to provide and promote a wide variety of recreational activities to the USP/SCP Hazelton population. The Recreation programs are designed to provide gainful use of free time and to fulfill specific inmate needs. Formal and informal programs offer a combination of competitive, recreational, and fitness type activities that the Recreation Department sponsors throughout the year.

Hobby Craft: The Institution Hobby Craft program is available in the Recreation Department, and includes the following programs: canvas painting, water color painting, crocheting, drawing, and paper art. The Recreation Department also sponsors an approved in-unit Hobby Craft program, inmates must sign-up for this program to be permitted to participate .

Hobby Craft programs are intended for the personal enjoyment of inmates and to provide an opportunity to learn a new leisure skill. Classes are offered in introductory drawing, painting, crocheting, art appreciation, and comic book development. The Recreation Department provides the facilities and equipment for these programs. Only nontoxic and nonflammable supplies are allowed and must be purchased from the commissary. Individuals interested in any of the Hobby Craft programs, to include the unit programs, must submit an "Inmate Request to Staff Member Form"(cop-out), to the designated Recreation staff member for acceptance into the program. All Hobby Craft programs require enrollment into the program and compliance with all rules and regulations, including the mail-out program. Specific rules are posted in the Recreation Department.

Counseling Activities: Smoking Cessation, Alcoholic Anonymous, self-image groups, and other voluntary groups are available for interested inmates. Institutions have professional staff, who are trained in the social science fields. Inmate participation in these activities will be encouraged upon the staff's assessment of inmate needs, but participation in such activities is voluntary. Staff in each unit are available for informal counseling sessions.

Release Preparation Programming: The Release Preparation Program is designed to assist inmates in preparing for release. Inmates will be given aid in developing plans for their personal lives and for work. These programs offer classes and seminars concerning the personal, social, and legal responsibilities of civilian life. Routinely scheduled informational sessions with U. S. Probation

Officers, U. S. Parole Commission members, other agencies, and employers are available. In all units, Release Preparation programs will be emphasized and staff will address concerns about readjustment, current community issues, and educational/vocational opportunities. For eligible inmates, furloughs and Residential Re-entry Center (halfway house) placements will be considered.

DNA Sampling: Due to recent changes in statute inmates confined at USP Hazelton will be required to permit Health Services staff to collect a blood sample for DNA processing. Additional information about this requirement can be found in the Law Library.

Religious Programs: Bureau institutions offer a wide range of religious programs and Chaplains are available to all inmates without regards to faith or tradition. Chaplains are available, as well as contract and volunteer representatives of various faith traditions. In being consistent with Bureau policy, we offer the Certified Religious Diet for inmates who qualify to participate in it. Work Proscription, holy day observances, and other worship activities are coordinated through the Chaplain's office.

Marriages: Although marriages can be religious, many are not, therefore all requests for marriages will be sent to the unit team. Once the inmate contacts the unit team with his request for marriage, the unit team will work with the inmate to prepare the papers for getting married. The Warden's approval is required. All expenses of the marriage will be paid by the inmate. Government funds may not be used for marriage expenses. If an inmate requests permission to marry, he must:

- 1) Have a notarized letter from the intended spouse verifying their intent to marry,
- 2) Demonstrate legal eligibility to marry,
- 3) Must be mentally competent.

The Chaplains are available to discuss with the inmate the issue of marriage while incarcerated.

Religious Property: All personal religious property an inmate is allowed to have will be kept in the inmate's housing unit locker. No personal religious property will be maintained in the chapel. When the Chaplain approves personal religious property for ordering, it may be ordered through a Special Purpose Order (SPO) from an approved vendor. Personal religious property will NOT be authorized to come from home. Inmate personal religious property must be requested through, and approved by, the Chaplain.

The Religious Services Department will make purchases annually for each faith community as needed for the department. Items purchased with Bureau funds will be maintained in the faith community lockers.

Personal religious items must have a monetary value of \$100 or less. Inmates shall ordinarily be allowed to wear and or use personal religious items during religious services, ceremonies, and meetings in the Religious Services area.

Religious Headwear: A faith group will wear a standard color and style of headwear throughout the institution. The headwear may not contain graphics or writing. Crowns may not have a bill. Headbands shall be worn only in a circle, covering the forehead, but not the crown of the head.

Ceremonial Headwear: Ceremonial headwear is intended only for ceremonial use and may only be worn in the Religious Services area. The headwear may not be worn to and or from the Religious Services area.

Certified Religious Diet: Inmates whose religious beliefs requires certified foods may see the Chaplain for an interview to determine if they will be placed on the Certified Religious Diet. When the Chaplain is aware an inmate's religious beliefs requires the Certified Religious Diet, the Chaplain will arrange to meet with the inmate for an interview. The Bureau offers several options for inmates to maintain their faith's dietary laws, these include:

1. Self-selecting from mainline; and/or
2. "No flesh" option
3. The Certified Religious Diet

If you are interviewed for the Certified Religious Diet, and are not approved to participate in the program, you may request to be interviewed again six (6) month subsequent to your previous interview. The Religious Diet is not for medical reasons nor is it for "weight loss" purposes and you may not participate in it for such reasons.

Religious Resources: The Religious Services Department will maintain, religious books, pamphlets, audio tapes, video tapes and DVDs for group or personal use. Audio and video viewing will only take place at times scheduled for such viewing. Only inmates who are on the Call-Out will be allowed in the chapel during regularly scheduled working hours (Monday - Friday 7:30 a.m. - 4:00 p.m.)

Emergency Notification: In the event your family has an emergency (which includes someone going to the hospital or a death in the family), the person calling the institution to inform you of the emergency should have the following: your register number, the name of the individual involved, and the name of the hospital (or funeral home), as well as the telephone number. A staff member will verify the information before passing the information on to you.

When your family experience an emergency and they want to inform you, they should call the institution at 304-379-5000, and let the operator know the nature of their call.

Psychology Services: All inmates will be screened by Psychology Services staff during the institution's A&O Program. Screening may include an individual interview. Psychologists are available for individual and/or group psychotherapy. Inmates interested in services can submit an Inmate Request to Staff Member (Cop-Out) to Psychology Services or come to Psychology Open House on Thursdays at 9:00 a.m. Mental health services are offered in the areas of drug and alcohol abuse, as well as other behavioral or emotional problems. Referral for a psychiatric (medication) evaluation may be made at the direction of a psychologist or other Health Services provider.

Suicide Prevention: It is common for people to experience depression and hopelessness in jail or prison, particularly if they are newly incarcerated, are serving a long sentence, are experiencing family problems or problems getting along with other inmates, or receive bad news. Sometimes, inmates consider committing suicide due to all of the pressure they are under. Staff are trained to monitor inmates for signs of suicide ideation, and are trained to intervene and refer concerns to the Psychology Department. However, staff do not always see what inmates see. If you are personally

experiencing any of the problems noted above, or you or another inmate is showing signs of depression (sadness, tearfulness, lack of enjoyment in usual activities), withdrawal (staying away from others, reducing phone calls and/or visits), or hopelessness (giving away possessions, stating that “there is nothing to live for”), **PLEASE** alert a staff member right away. Your input can save a life.

Sexual Assault Prevention: While you are incarcerated, no one has the right to pressure you to engage in sexual acts. You do not have to tolerate sexual pressure to engage in unwanted sexual behavior regardless of your age, size, race, or ethnicity. You have the right to be safe from unwanted sexual advances and acts. It is important that you tell a staff member if you have been sexually assaulted. You can tell your Case Manager, Chaplain, Psychologist, SIS, the Warden or any other staff member you trust. BOP staff members are instructed to keep the reported information confidential and only discuss it with appropriate officials on a need to know basis.

Medical Services: The overall Bureau health care delivery system includes local medical facilities, as well as the major medical facilities. For routine care, inmates who wish to be seen for evaluation of medical problems are required to submit an appropriate request in the designated drop box in the Green Corridor. The requests will be triaged and scheduled appropriately. During the A&O lecture the Health Services Administrator will provide additional information regarding medical services. Inmates who become ill after the regular sick call appointment sign-up period should ask their work supervisor or Unit Officer to call the Health Services Unit for further instruction. Inmates in detention or segregation units are unable to sign up for this procedure. For that reason, a staff member from Medical Services tours these housing units daily.

Preventive Health Care Overview: The BOP defines a scope of preventive health care services for inmates based on the recommendations of the U.S. Preventive Services Task Force (USPSTF) that incorporates targeted patient counseling and immunizations, as well as screening for infectious diseases, cancer, and chronic diseases. The BOP preventive health care program includes the following components:

- A health care delivery system that uses a multi-disciplinary team approach, with specific duties assigned to each team member.
- An emphasis on the inmates’ responsibility for improving their own health status and seeking preventive services.
- Prioritization of inmates who are at high risk for specific health problems, by age, sex, and social risk factors.
- Discontinuation of routine annual physical examination.

Contact with the Community and Public

Correspondence: In most cases, inmates are permitted to correspond with the public, family members, and others without prior approval or the maintenance of a correspondence list. Outgoing mail for USP inmates is to be placed in mailboxes located in an inmate's assigned housing unit. Outgoing mail at the USP, with the exception of legal mail, must be left **unsealed** when deposited in the unit mailbox. The mail will be inspected by staff. Outgoing mail for inmates at the SCP may be sealed, in accordance with the Bureau's open correspondence privileges. The outgoing envelope must have the inmate's name, register number, and the return address in the upper left hand corner.

Inmates must assume responsibility for the contents of all their letters. Correspondence containing threats, extortion, etc., may result in prosecution for violation of Federal Laws.

Inmates may be placed on a restricted correspondence status based on misconduct or as a matter of classification. The inmate is notified of this placement and has the opportunity to respond. There is no mail service on weekends and holidays. Inmates cannot correspond with another inmate without prior written approval of both the receiving and sending Warden.

Addressing Mail: Inmates are responsible for ensuring they fill out their complete return address on their outgoing personal envelopes to reflect the information as follows:

Name: _____, Register Number: _____
United States Penitentiary-Hazelton
Post Office Box 2000
Bruceton Mills, West Virginia 26525

In the event an inmate has failed to do so, Mail Room staff returns the correspondence to the Unit Manager for further return to the inmate for a proper/complete address.

Incoming Correspondence: First class mail is distributed Monday through Friday (except holidays), ordinarily, by the evening watch officer in each living unit. Newspapers and magazines may also be delivered at this time. Legal and special mail distribution will be discussed by the Inmate System Manager in the A&O Lecture. The number of incoming letters an inmate may receive will not be limited unless the number received places an unreasonable burden on the institution. Inmates are asked to advise those writing to them to put the inmate's register number, unit, and USP/SCP Hazelton on the envelope to aid the prompt delivery of mail. All inmate packages received at the institution must have prior authorization. Ordinarily, authorizations for inmates to receive incoming packages will be limited to release clothing only.

Incoming Publications: The Bureau permits inmates to subscribe to and receive publications without prior approval. The term "publication" means book, single issue of a magazine or newspaper, or materials addressed to a specific inmate, such as advertising brochures, flyers, and catalogs. An inmate may receive soft-cover publications (paperback books, etc.) or magazines, hardcover publications and newspapers only from a publisher book club. Accumulation of publications will be limited to five (5) magazines (not to be more than three (3) months old) and to the amount that can be neatly stored in the locker provided in each room, due to sanitation and fire safety concerns. The Unit Manager may allow more space for legal publications upon request. The Warden will reject a publication if it is determined to be detrimental to the security, good order or discipline of the institution, or if it might facilitate criminal activity. Publications which may be rejected by the Warden include, but are not limited to, publications which meet one of the following criteria: It depicts or describes procedures for the construction or use of weapons, ammunition, bombs, or incendiary devices; it depicts, encourages, or describes methods of escape from correctional facilities, or contains blueprints, drawings, or similar descriptions of Bureau of Prisons' institutions; it depicts or describes procedures for the brewing of alcoholic beverages or the manufacturing of drugs; it is written in code; it depicts, describes, or encourages activities which may lead to the use of physical violence or group disruption; it encourages or instructs in the commission of criminal activity; it is sexually explicit material.

"Special Mail": Is a category of correspondence which may be sent out of the institution unopened and unread by staff, which includes correspondence to: the President and Vice-President of the United States, U. S. Department of Justice (including Bureau of Prisons), U. S. Attorneys' Offices, Surgeon General, U. S. Public Health Services, Secretary of the Army, Navy, or Air Force, U. S. Courts, U. S. Probation Officers, Members of the U. S. Congress, Embassies and Consulates, Governors, State Attorney General, Prosecuting Attorneys, Directors of State Departments of Corrections, State Parole Commissioners, State Legislators, State Courts, State Probations Officers, other Federal and State law enforcement officers, attorneys, and representatives of the news media. Special Mail also includes mail received from the following: President and Vice-President of the United States, Attorneys, Members of U. S. Congress, Embassies and Consulates, the U. S. Department of Justice (excluding the Bureau of Prisons), other Federal law enforcement officers, U. S. Attorneys, State Attorney's General, Prosecuting Attorneys, Governors, U.S. Courts, and State Courts. Staff are available each morning during the breakfast meal to collect Special Mail. Inmates must bring their ID Card to the Mail Room for verification to mail the Special Mail.

A designated staff member will open incoming Special Mail in the presence of the inmate. This mail will be checked for physical contraband and for qualifications as Special Mail. The correspondence will not be read or copied if the sender has accurately identified himself or herself on the envelope and it clearly indicates that the correspondence is "Special Mail opened only in the presence of the

inmate.” Without adequate identification as Special Mail, staff will treat the mail as general correspondence. In this case, the mail will be opened, read, and inspected.

Inmate Correspondence with Representatives of the News Media: An inmate may write, through Special Mail procedures, to representatives of the news media, if specified by name or title.

Correspondence from a representative of the news media will be opened, inspected for contraband, for qualifications as media correspondence, and for content which is likely to promote either illegal activity or conduct contrary to regulations.

Correspondence Between Confined Inmates: An inmate may be permitted to correspond with an inmate confined in another correctional institution. This is permitted if the other inmate is either a member of the immediate family, or a party in an active legal action (or witnesses) in which both parties are involved. The following additional limitations apply: Such correspondence may always be inspected and read by staff at the sending and receiving institutions (**it may not be sealed by the inmate**); Unit Managers at both institutions must approve the correspondence for Bureau confined inmates. If the other inmate resides in a state facility, both respective Wardens must approve the correspondence.

Rejection of Correspondence: The Warden may reject correspondence sent by or to an inmate if it is determined to be detrimental to the security, good order, of discipline of the institution; to the protection of the public; or if it might facilitate criminal activity. Examples include: Matter which is non-mailable under law or postal regulations; information of escape plots, of plans to commit illegal activities, or to violate institution rules; direction of an inmate’s business (Prohibited Act 408). An inmate may not direct a business while confined. This does not prohibit correspondence necessary to enable an inmate to protect property or funds that were legitimately his at the time of his commitment. An inmate may correspond about refinancing a mortgage for his home or sign insurance papers. However, the inmate may not operate (for example) a mortgage or insurance business while confined in the institution.

Notification of Rejection: The Warden will give written notice to the sender concerning the rejection of mail and the reasons for rejection. The sender of the rejected correspondence may appeal the rejection. The inmate will also be notified of the rejection of correspondence and the reasons for it. The inmate also has the right to appeal the rejection. The Warden shall refer the appeal to a designated officer other than the one who originally disapproved the correspondence. Rejected correspondence ordinarily will be returned to the sender.

Mailing of Inmate Property: Inmates wishing to have personal items mailed into the institution will send an inmate request to the Department Head responsible for the requested items as follows:

- a. Unit Manager- release clothing, 30 days prior to the inmates release. The clothing will be secured in the property room until the time of the inmate’s release.
- b. Hospital Administrative Officer- arch supports, prescription eyeglasses, prosthetic devices and hearing aids.
- c. Chaplain- Married inmates may be permitted to wear a plain band metal band containing no stones and having a value of \$100 or less.

Once approved, the Department Head will complete an appropriate authorization form and forward the form to the Inmate Systems Manager for final approval. The Mail Room Officer will not accept any item or package for delivery unless this approval form is on file.

Change of Address/Forwarding of Mail: Inmates may obtain change of address cards from the institution mail room. These cards should be completed by inmates who are being released or transferred, to notify correspondents of a change in an address. Any general mail received after 30 days will be returned to the sender. Special Mail will continue to be forwarded after 30 days.

Certified/Registered Mail: Inmates desiring to use certified, registered, or insured mail may do so, by receiving necessary postal slips from mail room staff. An inmate may not be provided services such as express mail, private carrier services, COD, or stamp collecting while confined. Scales and certified materials will be available in the law library.

Telephones: Telephones at USP Hazelton are located in each housing unit and are available for inmate use. It is expected each inmate will handle his calls in such a manner that will allow the equal use of the phones by all inmates. At USP Hazelton, inmates will be allowed to talk on the telephone for up to 300 minutes per validation cycle. Calls will be limited to 15 minutes. After the call is completed, there will be a 30 minute waiting period until the next call can be made.

Telephones will not be used to conduct a business or during your normal working hours (time you are normally scheduled to work). Telephone procedures are posted in each side of the units. **Telephones are to be used for lawful purposes only. Threats, extortion, etc. may result in prosecution. All inmate telephones are subject to monitoring and recording. Unmonitored legal calls may be requested through your unit team.**

USP/SCP Hazelton has the Inmate Telephone System (ITS) and collect call capabilities. This system uses a Personal Access Code (PAC). It allows you to call up to thirty approved numbers. In order to use the system, you will have to transfer funds from your commissary account to your individual telephone account. **No third party or credit card calls can be made on these lines. Any inmate performing three-way calls will be subject to disciplinary action. A three-way call is defined as, but not limited to, any call which includes more than two callers communicating over the phone, speaker phone, cellular phone, or passing messages from or through the inmate to a third person or forwarding a call to another phone or conference calling. This includes passing messages and having calls transferred from one person to another.** Collect calls can also be made to approved telephone numbers. Inmate Telephone Services (ITS) credits can be transferred from your commissary account after 4:30 p.m. daily. Forms for updating telephone numbers may be obtained from the Unit Counselor and will be updated one time per month.

Secret PAC: Secret PAC's are a nine (9) digit number. This will allow you to place a call by first entering the telephone number followed by your nine (9) digit PAC number. All calls are automatically terminated after fifteen (15) minutes. **PAC numbers are not be shared with anyone.** Sharing your PAC number can result in disciplinary action. Inmates requesting a new PAC number will be charged \$5.00.

Phone Lists: Inmates are permitted to have up to 30 telephone numbers on their phone list. Inmates will receive and turn in a phone list through their unit team. Changes to your phone list may be made one time per month. Additional changes will be permitted when staff determines that the inmate has demonstrated need for prompt communication, i.e., a family emergency, etc. Financial Management

has five working days after receiving the phone lists to place the numbers on the inmates telephone account.

Phone Restrictions: Inmates on commissary restriction will still be permitted to place money on their ITS accounts. After an ITS credit has been established, it can only be used for placing telephone calls and will not be transferred back to the inmate's commissary account with the exception of the following circumstances:

- a. Inmate is released;
- b. Inmate is on telephone restriction for more than 10 days and requests in writing that his/her ITS-II funds be returned to his/her commissary account. This is a one time transaction for the entire balance of his/her ITS-II account.

Special Housing Unit (SHU) inmate with no telephone restrictions and whose status is Administrative Detention or Disciplinary Segregation are allowed one (1) 15-minute call every 30 days.

Visiting: Inmates are encouraged to have visits to maintain family and community ties. Visiting at USP/SCP Hazelton is based on a point system. Inmates will be provided with 12 points per month. One point will be assessed for a weekday visit and two points will be assessed for weekend or federal holiday visits. Visiting hours are from 4:30 p.m. to 8:00 p.m. Friday, 8:00 a.m. to 3:00 p.m. Saturday, Sunday, and Federal holidays. Requests for Special Visits should be directed to the appropriate Unit Manager. New inmates are asked to submit a visiting list which will be given to their Counselor for approval. Relatives and friends may be approved after certain checks are made. Requests for approval for visitors should be made to the Counselor at least three weeks in advance of the intended visit. All visits will begin and end in the Visiting Room. Kissing, embracing, and handshaking is allowed only on arrival and departure. No other contact is authorized. **(This rule will be strictly enforced.)**

Inmates must be properly dressed to be admitted to the Visiting Room. Each institution has limits on the number and type of articles that can be taken into the Visiting Room. Typical items that may be taken into the Visiting Room by an inmate are limited to a wedding band, prescription eyeglasses, and religious medal. Inmates are not permitted to bring Food items purchased in the Visiting Room into the institution.

Visitors must be properly dressed within the bounds of good taste and in such a manner as to not offend other visitor or to draw undue attention to themselves. Short shorts/skirts, halter tops, and clothing of a suggestive or revealing nature will not be permitted in the Visiting Room. Visitors dressed in khaki pants or shirts, grey sweat shirts or pants and camouflage pants and shirts or clothing will not be permitted into the Visiting Room. No clothing with derogatory, sexually suggestive, or gang-related logos will be allowed in the Visiting Room. Footwear must be worn by all visitors.

Inmates are responsible for advising their visitors of the proper attire.

SHU Visiting: All inmates in SHU will be afforded opportunities to visit provided there is no threat to the security and orderly running of the institution. The same visiting schedule and point system will be utilized as for the general population inmate visits. Visiting for inmates housed in SHU will normally be non-contact. All SHU visits will end 30 minutes prior to regular visiting hours ending.

Identification of Visitors: Photo identification is required for visitors. These may include a State Driver's License or State I.D. Card with full names and signatures affixed. Birth Certificates are not considered proper identification. Persons without proper identification will not be permitted to visit.

Visitor Searches: Visitors may be asked to submit to a random pat search and will be checked with a metal detector. All visitors are subject to random drug screening upon entering the Front Lobby by use of an ION scan drug detector. Attorneys may bring a briefcase to the Visiting Room. These items will be searched at the Front Lobby entrance before entering the Visiting Room. Other personal articles belonging to visitors must remain in their vehicle or be placed in lockers provided by the institution. Access to Legal Services

Legal Correspondence: Legal correspondence from attorneys will be treated as Special Mail, if it is properly marked. The envelope must be marked with the attorney's name and an indication that he or she is an attorney. The front of the envelope must be marked "Special mail - open only in the presence of the inmate." It is the responsibility of the inmate to advise his attorney about this policy. If legal mail is not properly marked, it will be opened as general correspondence.

Attorney Visits: Attorneys should ordinarily make advance appointments for each visit. Attorneys are encouraged to visit during regular visiting hours. However, visits from an attorney can be arranged at other times based on the circumstances of each case and available staff. Attorney visits will be subject to visual monitoring, but not audio monitoring.

Attorneys are encouraged to visit during regular visiting hours. Attorneys must show a valid bar card or other suitable professional identification, and pass through the metal detector before entry. Attorneys' briefcases and paper being introduced into the USP will be searched for contraband by use of the X-ray machines located in the front lobby. Attorneys' briefcase and papers being introduced into the Satellite Camp (SCP) will be hand searched for contraband. The use of cameras or recording equipment without the written consent of the Warden is prohibited.

All attorney visits for the USP and SCP will be scheduled through the appropriate Unit Team and monitored by Unit Staff. The attorney and his/her client will be afforded privacy in the attorney room located inside the USP Visiting Room. At the SCP, all attorney visits will be afforded privacy in the Camp Conference Room.

If the attorney rooms are in use, the attorney is to be offered the opportunity to reschedule the visit when a more private area is available. If it becomes necessary for the inmate to bring pertinent legal material into the Visiting Room, Unit Staff will bring the materials into the Visiting Room.

Legal Material: During attorney visits, a reasonable amount of legal materials may be allowed in the visiting area with prior approval. Inmates are expected to handle the transfer of legal material through the mail. Inmates will not be permitted to bring legal materials into the institution following a legal visit. **Documents from Federal Courts and Probation Offices. Federal Presentence Reports (PSR) and Statements of Reasons (SOR) from Judgments in Criminal Cases. For**

safety and security reasons, inmates are prohibited from obtaining or possessing photocopies of their PSRs, SORs, or other equivalent non-U.S. Code sentencing documents (e.g., D.C., state, foreign, military, etc.). Inmates violating this provision are subject to disciplinary action.

Attorney Phone Calls: Inmate desiring to place an unmonitored phone call to their attorney, should submit an “Inmate Request to Staff Member” (cop-out) to their Unit Manager requesting to make an unmonitored call to their attorney. The cop-out should also include the attorney’s name and phone number. Phone calls placed through the regular inmate phones are subject to monitoring.

Law Library: The law library is located in the Education Department and contains a variety of legal reference materials for use in preparing legal papers. Reference materials include the United States Code Annotated, Federal Reporter, Supreme Court Reporter, Bureau of Prisons Program Statements, Institution Supplements, Indexes, and other legal materials in addition to an Electronic Law Library. The Law Library is open during convenient non working hours, including weekends and holidays. An inmate Law Library Clerk is available for assistance in legal research. Legal materials are also available to inmates in detention or segregation status, ordinarily via a delivery system or satellite collection.

Notary Public: Under the provisions of 18 USC 4004, Case Managers are authorized to use an oath certification document. A recent change in the law allows that a statement to the effect that papers, which an inmate signs, is “true and correct under penalty of perjury,” will suffice in federal courts and other federal agencies, unless specifically directed to do otherwise.

Copies of Legal Materials: In accordance with institution procedures, inmates may copy materials necessary for their research or legal matters. A copier is available in the Law Library for inmate use. Indigent or other inmates unable to pay for legal copies are to make requests to their Unit Manager or Unit Team for assistance.

Please note that Program Statements and Institutional Supplements copied on pink paper will NOT be allowed out of the legal library. Copies of such must be made prior to transfer to your unit for legal use.

Federal Tort Claims: If negligence of institution staff results in personal injury or property loss or damage to an inmate, it can be the basis of a claim under the Federal Tort Claims Act. To file such a claim, inmates must complete a Standard Form 95. They can obtain this form from their Counselor.

Freedom of Information/Privacy Act of 1974: The Privacy Act of 1974 forbids the release of information from agency records without a written request by, or without the prior written consent of the individual to whom the records pertain, except for specific instances. All formal requests for access to records about another person and/or agency records other than those pertaining to them (including Program Statements and Operations Memoranda) will be processed through the Freedom of Information Act, 5 USC 552.

Inmate Access to Central Files: Inmates may request via “Inmate Request to Staff Member” (cop-out) to their respective Unit Manager, to review disclosable portions of their central file (plus Pre-sentence Report and/or Summary) prior to their parole hearing. Institution staff will permit the review of the central file under established local procedures.

Inmate Access to Other Documents: An inmate can request access to the “Non-Disclosable Documents,” regarding their case by submitting a “Freedom of Information Act Request” to the Director of the Federal Bureau of Prisons, 320 First Street, NW, Washington, DC 20534, Attention: FOI Request. The request must briefly describe the records needed, the dates the documents were created. The inmate must also provide their committed name, register number, and date and place of birth for identification purposes.

A request on behalf of an inmate by an attorney, for records concerning that inmate, will be treated as a “Privacy Act Request,” if the attorney has forwarded an inmate’s written consent to disclose materials. If a document is deemed to contain information exempt from disclosure, any reasonable part of the record will be provided to the attorney after the deletion of the exempt portions.

Executive Clemency: The Bureau advises all inmates that the President of the United States is authorized under the Constitution to grant executive clemency by pardon, commutation of a sentence, or a reprieve. A pardon is an executive act of grace that is a symbol of forgiveness. It does not connote innocence nor does it expunge the record of conviction. A pardon can be in “full” or “partial” depending on whether it absolves a person from all or a portion of the crime. A pardon may have conditions imposed upon it or it can be “absolute,” which is without conditions of any kind. A pardon restores basic civil rights and facilitates the restoration of professional and other licenses that may have been lost by reason of the conviction. Other forms of executive clemency include commutation of a sentence (a reduction of a sentence imposed after a conviction), and a reprieve (the suspension of execution of a sentence for a period of time.) Inmates should contact their assigned Case Manager for additional information regarding this program.

Commutation of Sentence: The Bureau also advises inmates on commutation of sentences. This is the form of executive clemency power used to provide post conviction relief to inmates during their incarceration. This clemency power is authorized by the Constitution for the Chief Executive Officer, who is the President of the United States, for federal offenses. A commutation of a sentence is usually the last chance to correct an injustice which has occurred in the criminal justice process. Inmates applying for a commutation of a sentence must do so on forms that are available from the assigned Unit Team. The rules governing these petitions are available in the Law Library.

A pardon may not be applied for until the expiration of at least five (5) years from the date of release from confinement. In some cases involving crimes of a serious nature, such as violation of Narcotics Laws, Gun Control Laws, Income Tax Laws, Perjury, and violation of public trust involving personal dishonesty, fraud involving substantial sums of money, violations involving organized crime, or crimes of a serious nature, a waiting period of seven years is usually required.

Problem Resolution

Inmate Request to Staff Member: The Bureau form BP-Admin-70, “Inmate Request to Staff Member” is commonly called a “cop-out,” is used to make a written request to a staff member. Any type of request can be made with this form. “Cop-outs” may be obtained in the housing units from the Correctional Officer on duty. Staff members who receive a “cop-out” will answer that request in a “reasonable” period of time. The answer may be written on the bottom of the request form or as an attachment.

Administrative Remedy Process: The Bureau emphasizes and encourages the resolution of complaints on an informal basis. It is hoped, an inmate can resolve a problem informally through contact with the involved staff member or via a “cop-out.” When informal resolution is not successful, a formal complaint can be filed. Formal complaints can be Administrative Remedies, Tort Claims, Inmate Accident Compensation, Freedom of Information, Privacy Act Requests.

Complaints may not be filed on behalf of another inmate or a group of inmates and will not be accepted under the Administrative Remedy Procedure.

The inmate should see his unit counselor to initiate the Administrative Remedy process. The unit counselor will issue the “Request for Administrative Remedy” BP-9 (BP-229) form to the inmate. Once the inmate has completed the “Request for Administrative Remedy,” he must return the form to his Counselor to the staff member designated by the Warden, who will review the material to insure an attempt at informal resolution was made. The BP-229 complaint must be filed within twenty (20) calendar days from the date on which the basis for the incident or complaint occurred, unless it was not feasible to file within that period of time. Institution staff have twenty (20) calendar days to act on the complaint and to provide a written response to the inmate. This time limit for the response may be extended for an additional twenty (20) calendar days, but the inmate must be notified of the extension.

When a complaint is determined to be of an emergency nature and threatens the inmate’s immediate health or welfare, staff will respond as soon as possible.

If the inmate is not satisfied with the response to the “Request for Administrative Remedy” BP-229, they may file an appeal to the Regional Director. This appeal must be received in the Regional Office within twenty (20) calendar days from the date of the BP-229 response. The Regional Appeal is written on a “Request for Administrative Remedy” BP-230 (BP-10) form, and must have a copy of the BP-229 form and response attached. The Regional Appeal must be answered within twenty (20) calendar days, but the time limit may be extended an additional twenty (20) days. The inmate will be notified of the extension.

If the inmate is not satisfied with the response by the Regional Director, they may appeal to the Central Office of the Bureau of Prisons. The National Appeal must be made on a “Request for Administrative Remedy” BP-231 (BP-11) form and must have copies of the BP-229 and BP-230 forms with responses. The National Appeal must be answered within twenty (20) calendar days, but the time limit may be extended an additional twenty (20) days if the inmate is notified.

The “Request for Administrative Remedy” BP-229, BP-230, and BP- 231 forms may be obtained from the unit counselor. When writing a BP-229, BP-230, or BP-231, the form should contain the following information: Statement of Facts, Grounds for Relief, and Relief Requested.

Sensitive Complaints: If an inmate believes a complaint is of such a sensitive nature that he would be adversely affected if the complaint became known to the institution, he may file the complaint directly to the Regional Director. The inmate must explain, in writing, the reason for not filing the complaint with the institution. If the Regional Director agrees that the complaint is sensitive, it will be accepted and a response to the complaint will be processed. If the Regional Director does not agree that the complaint is sensitive, the inmate will be advised in writing of that determination. The inmate may then pursue that matter by filing a BP-229 at the institution.

Disciplinary Procedures

Discipline: It is the policy of the Bureau of Prisons to provide a safe and orderly environment for all inmates. Violations of Bureau rules and regulations are dealt with by the Unit Discipline Committees (UDC) and/or the Disciplinary Hearing Officer (DHO). Inmates are advised upon arrival at the institution of the rules and regulations and are provided with copies of the Bureau's Prohibited Acts, as well as local regulations.

Inmate Discipline Information: If a staff member observes or believes they have evidence an inmate has committed a prohibited act, the first step in the disciplinary process is writing an incident report. This is a written copy of the charges against the inmate. The incident report will ordinarily be delivered to the inmate within twenty-four (24) hours of the time staff became aware of the inmate's involvement in the incident. An informal resolution of the incident may be attempted by staff. If the informal resolution is accomplished, the incident report will be removed from the inmate's central file. Violation in the greatest severity category must be forwarded to the DHO for final disposition. If an informal resolution is not accomplished, the incident report is forwarded to the UDC for an initial hearing.

Initial Hearing: Inmates must ordinarily be given an initial hearing within three (3) work days of the time staff become aware of the inmate's involvement in the incident (excluding the day staff became aware of the incident, weekends, and holidays). The inmate is entitled to be present at the initial hearing. The inmate may make statements or present documentary evidence on their behalf. The UDC may extend the time limits of these procedures for good cause. The Warden must approve any extension more than five (5) days. The inmate must be provided with written reasons for any extension. The UDC will either make a final disposition of the incident or refer it to the DHO.

Disciplinary Hearing Officer: The DHO conducts disciplinary hearings on serious rule violations. The DHO may not act on a case that has not been referred by the UDC. An inmate will be provided with advance written notice of the charges not less than 24 hours before the inmate's appearance before the DHO. The inmate may waive this requirement. An inmate will be provided with a full-time staff member of his choice to represent them if requested. An inmate may make statements in their own defense and may produce documentary evidence. The inmate may present a list of witnesses and request they testify at the hearing. Inmates may not question a witness at the hearing; the staff representative and/or the DHO will question any witness for the inmate. An inmate may submit a list of questions for the witness(es) to the DHO if there is no staff representative. The DHO will request a statement from all unavailable witnesses whose testimony is deemed relevant.

The inmate has the right to be present throughout the DHO hearing process, except during deliberations. The inmate charged may be excluded during appearances of outside witnesses or when institution security could be jeopardized. The DHO may postpone or continue a hearing for good cause. Reasons for the delay must be documented in the record of the hearing. Final disposition is made by the DHO.

Appeals of Disciplinary Actions

Appeals of All Disciplinary Actions: Appeals of all disciplinary actions may be made through the Administrative Remedy Process. If the appeal is for a UDC sanction, no informal resolution attempt is necessary. If the appeal is for a DHO sanction, the remedy is to the Regional Director.

Special Housing Unit Status

There are two categories of special housing: Administrative Detention and Disciplinary Segregation.

Administrative Detention: Administrative Detention separates an inmate from the general population. To the practical extent, inmates in Administrative Detention will be provided with the same general privileges as inmates in general population. An inmate may be placed in Administrative Detention when the inmate is in holdover status during transfer, is a new commitment pending classification, is pending investigation or a hearing for a violation of Bureau regulations, is pending investigation or trial for a criminal act, is pending transfer, for protection, or is finishing confinement in Disciplinary Segregation.

Disciplinary Segregation: Disciplinary Segregation is used as a sanction for violations of Bureau rules and regulations. As inmates in Disciplinary Segregation are denied certain privileges, personal property will usually be impounded. Inmates placed in Disciplinary Segregation are provided with blankets, a mattress, a pillow, toilet tissue, and hygiene items (as necessary).

Inmates may possess legal and religious materials while in Disciplinary Segregation. Staff will provide a reasonable amount of nonlegal reading material. Inmates in Disciplinary Segregation will be seen by a member of the medical staff daily, including weekends and holidays. A designated unit staff member from each housing unit will visit the segregation unit daily. Inmates in both Administrative Detention and Disciplinary Segregation are provided with regular reviews of their housing status.

Conclusion: Hopefully this information will assist you during your incarceration. Feel free to ask any staff member for assistance, particularly unit team staff. For individuals who are not yet in custody, and who have been given this publication to prepare for commitment, the Bureau's Community Corrections Manager or the staff at the designated institution can clarify any other concerns.
